600 Cooper Ave
Grafton, ND
Lunch on your own
Registration Deadline: May 9

Tuesday, May 20, 2025, 9:00 – 4:00 PM CST
Barnes County Highway Dept.
1525 12th St NW
Valley City ND
Lunch on your own
Registration Deadline: May 16

This training is being sponsored by NDLTAP, ASTECH and ND APWA

Registration Fee: \$50 (NDLTAP will invoice post training)

Learning Outcomes:

- Participants will learn how to review and evaluate asphalt streets and roads
- Participants will gain knowledge about pavement preservation techniques
- Participants will learn when to use the various pavement methods
- Equipment reviews will be offered
- Safety topics will be presented regarding road work and hot oil use
- Participants can “Ask an expert”

Instructors:

Gerard Feist. NDLTAP Asphalt Consultant, prior to joining NDLTAP in 2018, Gerard led a wide array of asphalt roadway repair and preventive maintenance efforts with Burleigh County. He has extensive knowledge in the areas of crack sealing, routing cracks, rubberizing cracks, cold mix patching, spray patching, complete overlays, new paving, and pothole repair. Gerard has worked on rural roads, streets, and parking lots and is well versed in equipment maintenance.

Tom Wood. Mr. Wood has worked in the road construction / maintenance for over 40 years. He has mix of public and private service. The last 20 years he has worked on pavement preservation treatments specializing in emulsion base methods. He also teaches classes for numerous LTAP’S and the National Center for Pavement Preservation. Mr. Wood retired from MnDOT early in July 2016 with over 28 years of service. From 2016 to 2019, Tom worked for WSB & Associates. Tom currently works for ASTECH sharing Pavement Preservation Methods

Subject Matter Expert: Bryon Fuchs, P.E.

Target Audience: City, County and Tribal personnel that perform pavement reviews and/or make pavement repairs. The training focus will be on street patching and crack sealing.
